

## **Music in Ireland**

### **I Notice, I Wonder 1 (350 word minimum)**

1. Go through each Ireland Power Point slide. Turn sound on and make ensure that you are in "Slide Show Mode". This will activate all of the hyperlink that will bring you to videos. There are several ways to do this.

Go to the "View" in menu bar and scroll down to "Slide Show".

Go to "Slide Show" in the Power Point menu bar and choose "Play from the start".

Click on the "Screen" icon on the bottom right hand corner of the Slide.

2. After reviewing the Power Points and all of the videos complete the following "I Notice, I Wonder" assignment.

"I Notice" You will write some observations based on the text and videos from the slides. Your writing should reflect that you have gone through each Power Point presentation (text and videos).

"I Wonder" is something that you are curious about after engaging with the reading and power points. It could be something you don't understand, something that was not addressed, or something you are wondering about that is related to the material.
